family winery

## 2012 Collector's Series Cabernet Sauvignon - Napa Valley

### The Wine

This La Familia Eleventh Edition - Collector's Series Cabernet Sauvignon expresses the pride we share in our history, hardships, and sacrifices that have been made by our family in the pursuit of a better life. We honor and respect the traditions passed down to us from our parents and vow to continue to pass down these traditions to future generations. This Cabernet embodies the hard work, dedication, and love of the grapes that have been instilled in us since the beginning of our winemaking journey. -The Robledo Children

### Tasting Note

The nose begins with rich, dark fruit and subtle hints of chocolate and toasted oak. On the palate, an elegant yet full-bodied explosion of dark and luscious cherry with black currant integrated with soft tannins that give way to a concentrated, complex, and rewarding finish.
